About This Game

In the absence of its original owners, the machinery of an abandoned brick factory has taken the station over! Your mission is to find the boss of these mutinous machines and shut the operation down.

In order to succeed, you must destroy all the manufactured bricks. The machine boss will try to hinder you with its flying saucers and tanks, but power-up capsules will help you in these situations and more. In the final stage, you'll face the boss itself at last!

Key Features:

- Five challenging missions containing eight stages each!
- Beautifully handcrafted stages including bridges, tubes, bumpers, pushers, lasers and brick conveyor belts.
- Awesome multi-storey stages! Must see!
- Frantic boss fights!
- Six different power-ups including multi-ball, extra-player, and bat-extension!
- Challenge your friends in co-op!

-
- Original, uplifting chiptune soundtrack.
 - Easy to play and suitable for kids.
