### About This Game

HYPERTIGHT is a fighting game where every hit is lethal, and every win counts. You'll have to risk your points to gain access to your character's special and super moves, which can turn the tide of the game in a heartbeat. Designed to be easy to pick up and hard to master, so grab a friend, any friend (or multiple)!

#### Featuring:

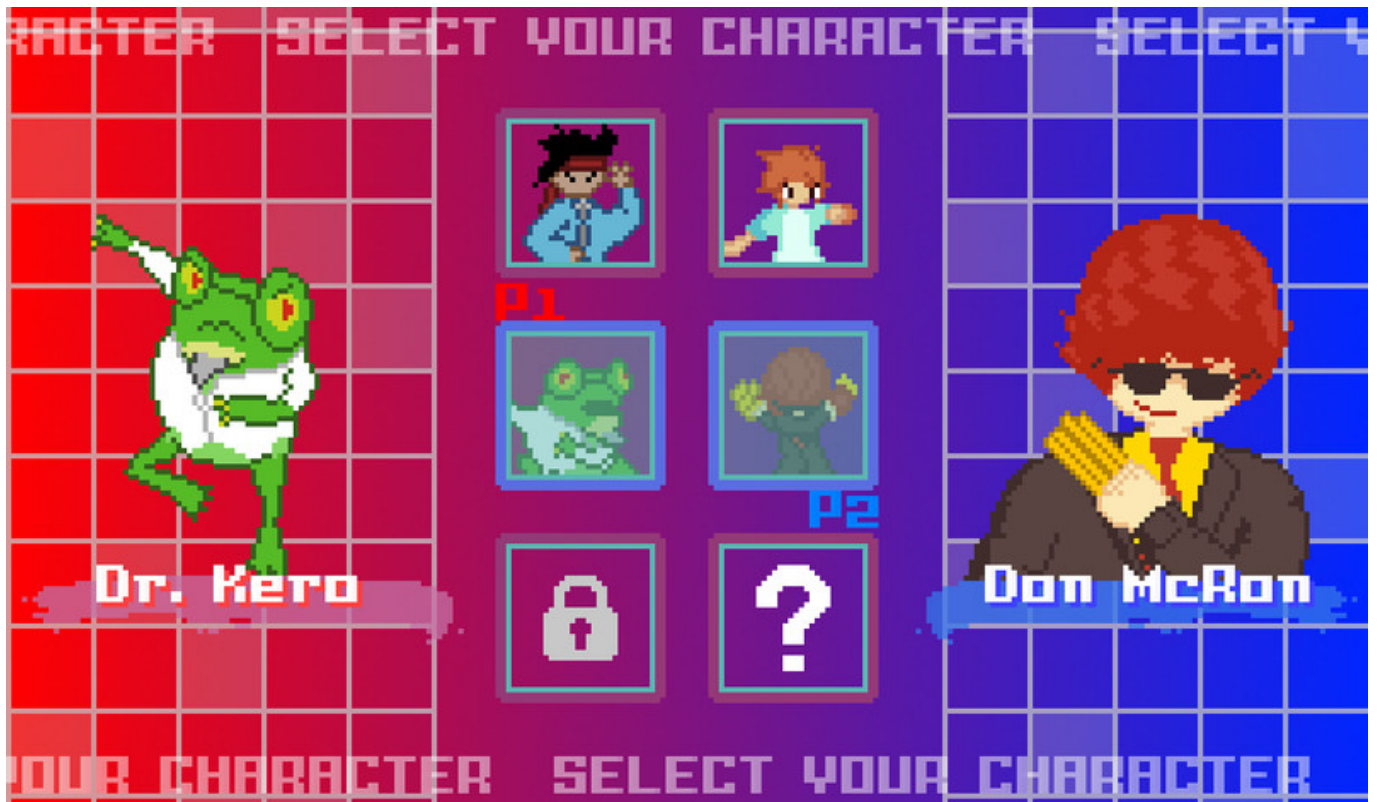

- 4 (+1 unlockable) characters to master, with unique movesets
- Local VS mode, against players and CPU opponents
- Single player arcade mode and tutorial
- Full controller support, with rebindable controls

**New update released:**

We just uploaded a patch that fixes a lot of the smaller passibility bugs that managed to make it through playtesting. This should smoothen up gameplay quite a bit.

Thank you to everyone who has downloaded Railroad Tracks,

Ian

socah development. **Complete walkthrough out now!:**

Trouble finding the last of your memories? We've just published a complete walkthrough to Railroad Tracks!

Find it here:
